

## TRIAX BLAZE

### Battery

**SR626SW** Silver Oxide Battery

#### Battery Life:

The battery in your Triax Roar is estimated to last 3 years, depending on frequency and use of certain features.

#### Battery Replacement:

Battery replacement must be performed by a certified Nike service center to retain a valid warranty.

In addition to battery replacement, the service center will test movement, gaskets, water resilience and hardware, to further ensure the long-term care of your watch.

#### Warning!

Keep watch batteries away from children. If swallowed, contact a doctor immediately.

#### Warning!

Batteries contain chemical substances. They should be disposed of properly according to local regulations.
